MEMO ENDORSED

Reference: Case number – 07 CV-3597

Subject: Request for further extension of time

Dear Sir.

I like to draw your kind attention to the fact that, I am served one summons in a civil action (Second amended) by your office where I was asked to answer to the complaint by Columbia pictures industries inc. and others. Due to financial problem I could not hire a lawyer to prepare the answer so I prayed for extension of time. Later my prayer was granted and I was asked to submit the answer by 7th December, '07. But I could not overcome my financial hardship and was unable to hire any lawyer. So on 07th December '08 I again made prayer to allow me some more time.

After filing the application I was waiting to know the decision but may be I missed the mail so was uninformed about courts verdict. Now I come to know that my prayer was granted and I was allowed some more time to submit answer. As I was not informed so I could not submit the answer timely.

Now I am ready and can submit the answer. For that I pray for one more week time. I shall be obliged if I am allowed prayed time to submit the answer to the complaints..

Thanks and with best of regards-
